

Records management group and offshore entity are latest members with the Chamber

OVER 200 COMPANIES are under the umbrella of the Chamber, now there are two more to become part of a growing fold.

- *Secure Shred* is best known for their comprehensive range of record-keeping systems for various companies in Barbados.

Environmentally responsible, **Secure Shred** oversees all of the correct procedures for the removal or storage of documents, whether paper or digital.

- *Hilbury Limited* was incorporated in 1998. Its principal activity has been the acquisition and development of Real Estate for commercial, residential and tourism related purposes, as manifested in its developments at The Coconut Walk Centre, The Adulo Apartments and its participation in the Hilbury Estate land development.
