

September 2009

ZERO NEWS

This is **VERDEK-EV ZERO NEWS**, the electronic newsletter with the latest information on the TAZZARI **ZERO**, the eco-sports brand.

Verdek and I Drive Green

Verdek announced on Sept 12 a partnership with I Drive Green, www.idgacademy.org designed to support as well as educate individuals and companies through eco driving initiatives. On Sept 1st the I Drive Green joined eBay's "Give. Good. Green" campaign. The promotion will run across all five of eBay's social properties for the next six weeks. It will offer as a final prize a Tazzari ZERO Sport, a special edition of the coolest electric vehicle that Verdek-EV will bring to the US by the end of 2009. For the occasion Tazzari ZERO shows its aggressive and appealing look. Tazzari ZERO details can be found at www.verdek-ev.com

Social Networks – Facebook and Twitter

Please join us in our renewed Facebook site "Tazzari ZERO USA". We would like to hear your feedback and make the Tazzari ZERO an even better electric vehicle. Please check "Tazzari ZERO USA" on Twitter for the latest live news @ "GuyMannino".

Book your Tazzari ZERO

Only 3 month to the launch. It is time to book the vehicles. The base price is \$27,900. If you do not win the eBay raffle you can still order a ZERO or a ZERO Sport to impress your friends. You can choose colors and wheel setting at the Tazzari ZERO tab of www.verdek-ev.com by clicking on the "Build your own ZERO".

Orders can be sent at info@verdek-ev.com
