

## Entertainment Services

To date the Barbados Private Sector Trade Team is aware of one study on entertainment services. The document which was written by Ms. Allison Demas and Dr. Ralph Henry is entitled “The Negotiation-Related Dimension of Entertainment Services from a Trade-in-Services Perspective” and may be accessed via [www.crnw.org](http://www.crnw.org).

The PSTT is in the process of creating a work programme to cover this particular arm of Barbados’ Services sector.
